

FROM THE PRINCIPAL

Dear Parents and Community Members,

I am pleased to share our annual report card issued by the Oregon Department of Education. At Madras High School, we support and encourage every learner to reach their fullest potential. Our students and staff are all committed to being lifelong learners. Our staff participates in learning observations, off-site visits, and professional learning communities. We implement various student engagement strategies, make data driven decisions, and pride ourselves in developing well rounded community leaders.

I personally want you to know Madras High School has a dedicated staff that works hard on what our students know and

can do - and where they need the most help - so we can raise the bar for all of our learners.

Thank you,

Principal | Mark Neffendorf
