

FROM THE PRINCIPAL

Dear Parents and Community Members,

I am pleased to share our annual report card issued by the Oregon Department of Education. At Metolius Elementary School, we support and encourage every child to reach their fullest potential. Our students and staff are all committed to being lifelong learners. Our staff participates in learning observations, off-site visits, and professional learning communities. We implement various student engagement strategies, make data driven decisions and pride ourselves in developing well rounded community leaders.

We ask all parents and community members to assist us in supporting success by reading with their student 20 minutes per night, limiting screen time and volunteering at our school.

Thank you,

Principal | Adam Dietrich
