

## FROM THE PRINCIPAL

Dear Parents and Community Members,

I am pleased to share our annual report card issued by the Oregon Department of Education. Our median percentile growth per student in English Language Arts increased from 18% to 34% last year. We anticipate a continued pattern of improvement in the years to come.

At Warm Springs K-8 Academy, we support and encourage every learner to reach their fullest potential. Our staff participate in weekly professional development and professional learning communities. We implement various student engagement strategies, make data driven decisions

and pride ourselves in developing well rounded community leaders.

We ask all parents and community members to assist us in supporting success by reading with their student 20 minutes per night, limiting screen time and volunteering at our school. Thank you for partnering with school employees to ensure the success of every student.

Thank you,

Principal | Ken Parshall

## OVERALL SCHOOL RATING

Given the recent passage of the Every Student Succeeds Act (ESSA) and the expiration of Oregon's ESEA flexibility waiver on August 1, 2016, the State of Oregon will not assign ratings (i.e., overall and comparison school ratings) to schools for the 2015-16 school year.
