

CASA Learning is a good fit for my child

- My student will be online even when schools reopen
- My student can work independently
- My student is excited about learning at their own pace
- My student has access to the Internet
- My student is comfortable using computers and reading online
- My student is willing to seek help when needed

CASA Learning may be a good fit for my child

- I feel confident about my student's ability to learn independently online
- Schedule flexibility would be a major benefit for my student and family
- Work at their own pace could help my student perform better
- My student likes to spend time on a computer
- My student has regular access to the Internet

CASA Learning might not be the best fit for my child

- Online learning is the "last resort" for my student
- I want something faster and easier than in-person learning for my student
- My student does not usually ask for help on their own
- My student does not like to spend time on a computer
- We are expecting or prefer a lot of online video lectures
