Dear Families,

We are participating in a YouthTruth survey 3rd grades to 8th grade to gather student feedback on how to improve our school. This survey will focus on gathering students' opinions to learn more about their experience and how they feel about school.

The YouthTruth survey will run from **October 5 – October 23**. Student voices matter, and we're excited to dive into our survey data and incorporate student ideas to improve our school.

If you do not want to have your student participate, please fill out the opt-out form. To find this form, you can:

- find it on Warm Springs K8 Academy website
- call the school office and we will get you the form;
- Or wait until we send it out on a blackboard post from Powerschool.

Thank you in advance to all of the students who complete the survey. If you have questions, concerns, or need assistance, please don't hesitate to contact us. We are here to help and have been working hard to ensure we have the resources to support you.

Sincerely,

Bambi Van Dyke
