Bond Oversight Committee

An important part of the 2021 Bond is our Bond Oversight Committee. This is an independent citizen-led body in charge of monitoring the planned improvements, progress, schedule, and costs of the bond program. The committee will meet quarterly or as needed to review bond funded projects and offer advice and recommendations to the School Board. The Jefferson County School District 509J Board of Directors will appoint interested volunteers to serve on this committee. The plan is for the board to approve the members at next month's board meeting on December 13, 2021.

If you are interested in serving on this committee, please fill in the following information and return to Tessa Bailey at the address above or by emailing her at TBailey@509j.net. Applications are due by 5pm on December 3, 2021.
