

# Schools in Action

JCSD 509J / FY2021-2022/ Oct. 2021

## Students Flourish Here

Madras Elementary, Buff Elementary, Metolius Elementary [Above] - Outdoor School is a great opportunity for students to learn about nature. This year, it looked a little differently for our 5th grade classes. Thank you to Camp Tamarack for being flexible and coming to our schools and taking the time to provide some hands on learning experiences with our students.

JCMS [Left] - Students flourish with music and physical education as part of their day. Music education can enrich students' lives and education in a number of ways. Physical education also has a number of benefits.

## We Care For Each Other

WSK8 - [Left] OSBA and the 509J school district surprised and honored Board Chair, Laurie Danzuka, at the Oct. school board meeting at the WSK8. She was named OSBA's School Board Member of the Year for 2021.

Coffee Cuppers [Above] - 509J hosted Coffee Cuppers with the Madras-JC Chamber of Commerce. The district talked about the upcoming Proposed Bond Measure. Learn more at [509jSchoolBond.Org](https://509jSchoolBond.Org)

## Better Every Day

MHS [Left] - Students at Madras High School are fortunate to have a wide range of CTE courses they can take.

BHS [Above] - Students work on a project that requires the students to work in teams and to critically think about how to accomplish their goal.
