Students Flourish Here

JCSD 509J / FY2021-2022/ Dec. 2021

WSK8 [Above] - The school celebrated Native American Heritage Month. The pictures above show students and staff celebrating during their spirit week.

JCMS [Above] - 8th Grade AVID students at JCMS engaged in a community service project called "Letters to the Elderly." They each wrote two letters to residents of Ashley Manor in various locations around Central Oregon.

MHS [Left and Right] - MHS Theatre at long last held their first stage performance since before the pandemic started. Students performed, "It's a Wonderful Life -- A Live Radio Play" by Joe Landry the first weekend of December. (Photos Courtesy Edward Heath)

We Care For Each Other

Metolius [Left] - Life Skills teacher Jenny Miesen was named November's Certified Employee Spotlight. She's been with the district for 5 years. Thank you, Jenny, for your hard work every day!

Buff Elementary [Above] - Principal Billie White goes from room to room to deliver a piece of pie to Buff faculty and staff before Thanksgiving break. She has been doing this for seven years now and it is just one way she is showing her staff how thankful she is to get to work with them day in and day out.

509J Transportation [Right] - Wes Woolworth was named November's Classified Employee Spotlight. He is our Bus Mechanic. He has worked for 509J for more than a decade now! Thank you, Wes, for your hard work every day!

Better Every Day

Bridges High School [Above] These students are in Julie Marino's math class. They are learning how to measure indirect height using speed squares. This is a common tool used in construction. Once they had their measurements, they used trig functions and right triangles to indirectly measure the height.

Madras Elementary [Above] This leadership team meets to go over best practices and tried and true teaching methods. Then, on late start Mondays, they work on it with their PLCs so the entire teaching staff is up to speed on research driven teaching methods.
