

Jefferson County School District 509J's Local School Wellness Policy Triennial Assessment Report

During School Year 2022, Jefferson County School District 509J conducted a triennial assessment of the local school wellness policy.

The assessment included the following:

1. Evaluation of the LSWP and how it compares to model policies
2. The extent to which school(s) in our district are in compliance with the LSWP; and
3. Evaluation of the progress towards goals listed in the policy

Below is a summary of the results of the assessment.
