November 7, 2022

Dear Students and Families:

Madras High School will begin a pass to participate in an effort to help our students be successful in school and ultimately graduate on time. The MHS Athletic handbook has been updated to reflect this new policy. The protocol requires all students that take part in athletics, extracurricular activities, and clubs must be passing their classes and have no unexcused absences in order to participate in that week's competition or event. The initial probationary list will be released on November 18th. Students on this list will be on a probationary status for the week of November 28th through December 4th. The first ineligible list will be released on Monday December 5th. Students will not be allowed to participate in competitions or events during the week they are ineligible.

Grade Expectations:

1. Students are not allowed to have a failing grade in any class for two consecutive weeks in order to participate in any athletic competition, extracurricular event, or field trip.
2. Starting the 2nd week of each quarter students will have their grades checked on Monday of each week.
 - a. Any student that has a failing grade in a class will have one (1) probationary week to get their grade to a passing grade.
 - b. Any student that has a failing grade in the same class for two (2) consecutive weeks will be ineligible for that week. The student will remain ineligible for the duration of the week.
 - c. Eligibility is reestablished once the student is no longer on the failing list.

Attendance/Tardy Expectations:

1. If a student has an **unexcused** absence during the week of a competition or event they will not be eligible to participate.
2. When a student reaches ten (10) tardies during a quarter they will be ineligible for the next competition or event. For each tardy after ten (10) the student will be ineligible for the next competition or event.

If you have any questions please don't hesitate to reach out to me.

Sincerely,

Tony Summers, Principal
