Students need to take all their belongings to the locker room and lock them for practice and games. Anything that will not fit in the sports locker should be locked in the PE office. Students will not be allowed to return to the hallway lockers after practice or after games.

Practice will be **every day** after school from 3:10– 5:00. Please pick up your child by 5:15 out front of the school.

Games usually last about 90 minutes (1.5 hrs). Parents who do not attend an away game, please meet your child at the covered play area at JCMS at the estimated return time. Return times are estimated so you may plan your pick up time with our arrival. Students will call to update our return time as we leave the away school.

Students should pack a snack and dinner to eat on the way home. The bus will not stop for food. Sunflower seeds and drinks in cans will not be allowed on the bus. ALL DRINKS MUST BE IN RESEALABLE CONTAINERS. Please refer to the Guidelines for Activity Bus in the Athletic Handbook for additional rules on the bus.

According to district policy, all students **must ride the bus to away events (MHS is technically away from JCMS)**. If you wish to take your athlete home from an event they will need to sign out with the Head coach. **We encourage all athletes to ride the bus home so they ensure their gear is properly put away.** If an athlete wishes to go home with someone other than their parent/guardian then they must have written consent and must ask a teammate to take their gear. This ensures safety for all our athletes.
