**To be eligible as Jefferson County Middle School and WSK8 interscholastic athletes students must be passing all their classes. The following procedures will be used in determining middle school eligibility:**

1. Eligibility checks will be done formally during each week of the sports season.
  - a. If a sports season coincides with the start of a quarter the first week of the new quarter will not be evaluated and grade checks will start in the 2nd week.
  - b. Grade checks are done each Friday at 2 pm.
    - i. Students will be notified by coaches during practices on Fridays.
2. Students who are not passing all seven classes will be placed on academic probation for one week. During the time of probation, it is expected:
  - a. The student raises any failing grades to a passing grade;
  - b. The student attends any assigned "study tables" after school;
  - c. Attend all practices unless he/she is participating in a "study table";
3. If the grade has not improved to passing during the probationary week the student will be ineligible for the following week. Each student will be allowed only one probationary period per sports season. After that, eligibility will be determined week to week.
  - a. The student will not be permitted to travel to any away contests;
  - b. The student must be on the bench in street clothes during home contests;
  - c. After three weeks of ineligibility the student athlete's suspension from the team for the remainder of the season.
